EYELASH TINTING (30 minutes)

\$35

Eyelash tinting is effectively dying your lashes and is a great alternative to wearing mascara. We offer blue/black or pure black tint, both colours can give the effect of longer, darker lashes while also colouring the bottom lashes.

EYELASH LIFTING (includes eyelash tint) (45 minutes)

\$85

In just 40 minutes you can have lifted, curled lashes that open the eyes by lifting your natural lashes from the roots, giving the illusion of longer looking lashes while also adding volume using a blue/black tint.

ENHANCING EYE TRIO (includes eyebrow shape, tint and eyelash tint) (30 minutes)

\$69

Includes eyebrow sculpt and tidy the brows, eyebrow tint and eyelash tint.

**All lash treatments include complimentary collagen lip mask*

Lashes

EYEBROW SCULPT AND TIDY (15 minutes)

\$35

Australian made Jax Wax is perfect for shaping and sculpting the brows and is nice and gentle on the skin. We finish our waxing treatments with a light massage with aftercare oil to soothe the skin.

EYEBROW THREADING (15 minutes)

\$35

A traditional Indian hair removal technique. It is ideal for defining and reshaping eyebrows and removing all facial hair (lip, chin, sides of face and along the hairline) as it collects all the fine, fair hairs. Threading is a great alternative if you have sensitive skin or are allergic to any ingredients found in hot wax.

EYEBROW TINTING (15 minutes)

\$25

Eye-brow tinting colours the lighter hairs, bringing definition and shape to the brows. We have a variety of colours to make sure we get the perfect colour to compliment your hair and skin tone.

ENHANCING BROW DUO (includes eyebrow sculpt and tint) (30 minutes)

\$49

Includes eyebrow sculpt and tidy and tint for the brows.

HENNA BROWS (includes eyebrow sculpt) (30 minutes)

\$69

Henna is a natural and vegan friendly alternative to regular tint. Henna is gentle, moisturising on the skin and acts as a dye, coating the brow hairs adding colour and depth while also encouraging hair growth. Henna can last between 2-4 weeks depending on the condition of your skin and hair.

**All brow treatments include complimentary collagen lip mask*
